## PRESS RELEASE

### THE HARROGATE ANTIQUE AND FINE ART FAIR

28<sup>th</sup> April to 2<sup>nd</sup> May 2011

Patron: Baroness Masham of Ilton

## *Royal Wedding Invitation!*

Celebrate the Royal Wedding with The Harrogate Antique and Fine Art Fair!

*(Silver gilt cup  
Butchoff Antiques)*

Come and join us at the Harrogate International Centre to celebrate the wedding of Prince William and Katherine Middleton on 29<sup>th</sup> April. Be there for the cutting of our own Royal wedding cake and share a slice while you watch events unfold on our large screen televisions...

Or, if you want to come along later, you can join our afternoon "street party". Come and share tea and buns beneath the bunting with us and enjoy the community spirit!

There will also be a fascinating display of Royal Memorabilia, arranged with the help of our dealers, which will reflect the ways in which people have celebrated Royal events over the centuries and a collection of books about royalty to browse.

Or, if you want to escape the wedding completely, why not just come and explore the wide range of antiques on offer – there really is something to interest everyone.

For further information contact:
